

Financial Aid

Funding Options

Pell Grants

- All students apply for this federal grant that does not have to be repaid to the federal government.

Direct Student Loan Subsidized

- This is a low interest federal loan program provided by the government for the purpose of covering school expenses. You do not begin to re-pay this loan until six months after you graduate.

Direct Loan Unsubsidized

- This is a low interest federal loan provided by the government for the purpose of covering additional school expenses. You do not begin to re-pay this loan until six months after you graduate.

Interest Free Payment Plans

We offer an interest free monthly payment plan to meet your budgeting needs while attending school.

payment plan to meet your budgeting needs while attending school.
